The Unity Fellowship (UF) is an organization developed for Bishop James W. Hampton, the Pastor of Zion Healing Temple, who has always believed and encouraged fellowship between churches. After the installment of Bishop Hampton, a small group of church leaders of various denominations joined themselves in the Unity of the Gospel of Jesus Christ and through the harmony of true Fellowship. The churches of UF are not Incorporated to Zion Healing Temple Unity Fellowship Church, but are in association with Unity Fellowship. Therefore, UF organization operates solely from its church headquarters at Zion Healing Temple.

The Purpose of UF

- a. To represent Unity and Fellowship with church leaders in a manner that honors Jesus Christ.
- b. To provide Spiritual and Financial support to the small struggling church in hopes of growth and development
- c. To provide an atmosphere of worship and common faith.
- d. To gather and maintain a pool of resources for fellowship members' use.
- e. To promote public awareness of Christ
- f. To encourage harmony and oneness in the fellowship of Pastors according to the will and expectation of God whom we all shall serve.

It is UF's goal to bring souls to the Lord while being an example that churches do not have to struggle individually but proving that we can get the job done together while teaching Unity in our own churches. United we stand but divided we shall all fall.

Psalms 133:1, "Behold, how good and how pleasant it is for brethren to dwell together in unity."
