- Musicians- Our musicians play with skill and anointing.
- Praise Team- Our praise team is responsible for ushering the anointing of God, setting the atmosphere for the preach word to come forth, bring forth a spirit of deliverance to the house of God.

The bible says to: Sing unto him a new song; play skillfully with a loud noise. Psalms 33:3

David was a musician and was famous for both the skill by which he played and the anointing under which he ministered; truly anointed music has a powerful effect on its hearers and Spiritual deliverance can be obtained through the anointing. □
